

# SOCIAL SUPPORT TASK FORCE

## Introduces the Social Agency Hub: Access items donated by local businesses during COVID-19 closures

Barrie Mayor Jeff Lehman has launched an Economic Support Task Force and a Social Support Task Force to deal with the impacts of COVID-19 in Barrie. The Social Support Task Force includes representatives from the shelter system, social services, charities and other organizations that help vulnerable populations.

### SOCIAL AGENCY HUB

A central communication hub has been established by the Barrie Public Library. Through this hub, local businesses can offer items for donation to help social agencies meet the needs of our community. These items may include non-perishable food, cleaning supplies, toiletries, and other practical sundries. All perishable food items including bagged breakfast, sandwiches or dinners will continue to be coordinated by the Barrie Food Bank.

## Access the Social Agency Hub
