Item		Minutes	Action
1.	Welcome/Introductions	Gerry welcomed everyone to the meeting.	
2.	<b>Consent Agenda:</b> 2.1 IPT Minutes Feb 9, 2021 2.2 Approval of Agenda	Moved by Kristen Baumann, seconded by Suzanna McCarthy, the minutes of the February 9, 2021 IPT meeting be approved.  Moved by John Clarke, seconded by Suzanna McCarthy, that the agenda be approved.	
3.	<b>IPT Priorities/Work</b> 3.1 Cultural Competency 3.2 Lived Experience Guidelines	<b>Lived Experience Guidelines</b> Not discussed.  <b>Cultural Competency</b> John Clarke reports that the final Cultural Competency report is due to Executive Committee this coming Monday. EC's score will be reviewed and an action plan/workplan will be developed and approved by EC. This is the most important part. From there the intention is to make a presentation at the Coalition Council meeting on March 25 outlining the process EC undertook, how EC scored, and what the action plan is moving forward. The original plan was not a piloting of the tool but more to bring it forward and allow Coalition members to choose to do it if they want to.  John Clarke reviewed the "Colour Blindness" term utilized in the Cultural Competency tool. This is an error and should read "Cultural Blindness" and not "Colour Blindness". The term is taken from a referenced source and can be found ubiquitously across a substantial volume of academic literature.	Catherine to send John PPT Template.  Catherine to edit all versions of the CCT to reflect the term Cultural Blindness.
7.	<b>Integration/Partnership Priority Updates</b>	<b>Executive Committee/Council Update</b> Gerry Croteau reports that Member Renewal Packages went out mid-February with payments due by April 1, 2021. The Coalition received a new member application from Yolanda Gallow at the Community Wholeness Centre. John Clarke will follow-up as Membership Chair.  Doug Shipley, MP for Barrie-Springwater-Oro-Medonte attended February's Advocacy Group Meeting to learn about the Coalition. He expressed interest in visiting all Coalition member offices.  Kathy Manners reports that Christine VanderByl recorded a video as the voice representing the Coalition for the LIP's #ItStarts Campaign.  Kathy Manners updates on the Coalition Council meeting agenda and the Hot Topic panel discussion on EDI with John Clarke to	Gerry to reach out to Kathy for any additional panelists.
